**POLICY: PRE-ENTRANCE DRUG SCREENING**

All applicants to the nursing program at the University of Pittsburgh at Titusville must submit to testing for the use of illegal drugs.

- 1) Applicants must complete the consent form: "Consent to Testing for the Use of Illegal Drugs and Release of Information".
- 2) Applicant must agree to submit for testing for the use of illegal drugs within the time frame specified. Failure to do so will result in immediate revocation of an offer of admission to the nursing program.
- 3) Applicants must agree to the release of the test results to the Director of the nursing program.
- 4) Test results indicating the presence of illegal drugs shall result in the revocation of an offer of admission to the nursing program.
- 5) The applicant will be notified in writing of the revocation of the offer of admission and the reason for the revocation by the Director of the nursing program.
- 6) If the test results indicate the presence of a legally prescribed, appropriately administered controlled substance/drug, the applicant will be so advised and given the opportunity to provide evidence that he/she has been legally prescribed to take the controlled substance/drug at the time of the testing. The Director will take this evidence into consideration when making the decision about the applicant's admission status.
